2.2.2 Function Description

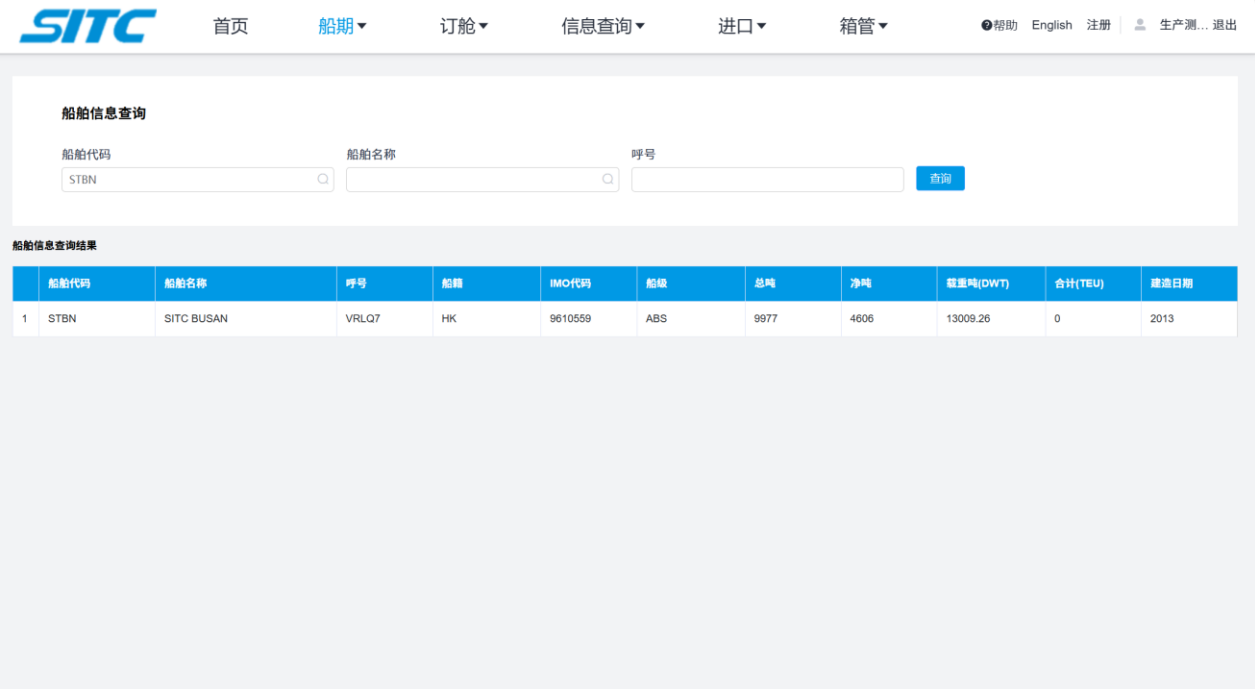

✧ Users can check the movement and exchange rate of each vessel

2.2.3 Procedure

✧ After the user enters the ship name, click the [Search] button to display the ship's dynamics, as well as exchange rate information.

2.3 Ship Information

2.3.1 User Interface

The screenshot displays the '船舶信息查询' (Ship Information Query) interface. At the top, there is a navigation bar with the SITC logo and links for 首页 (Home), 船期 (Ship Schedule), 订舱 (Booking), 信息查询 (Information Query), 进口 (Import), and 箱管 (Container Management). A user menu on the right includes 帮助 (Help), English, 注册 (Register), 生产测... (Production Measurement...), and 退出 (Logout).

The main query area contains three input fields: '船舶代码' (Ship Code) with the value 'STBN', '船舶名称' (Ship Name), and '呼号' (Call Sign). A blue '查询' (Query) button is positioned to the right of these fields.

Below the input fields, the '船舶信息查询结果' (Ship Information Query Results) are displayed in a table:

	船舶代码	船舶名称	呼号	船籍	IMO代码	船级	总吨	净吨	载重吨(DWT)	合计(TEU)	建造日期
1	STBN	SITC BUSAN	VRLQ7	HK	9610559	ABS	9977	4606	13009.26	0	2013

2.3.2 Function Description

- ✧ Users can query the data information of the relevant ships

2.3.3 Procedure

- ✧ After the user inputs the ship code/ship name/call sign query conditions, click the [Query] button to display the query results.

Warm Tips:

(1) The query results of this system are for reference only, and cannot be used as the basis for final payment, containers that cannot be searched for results do not represent no costs.

(2) This system only provides inquiries on demurrage and container repair fees. The yard fees, inspection fees, shifting charges and penalties that may occur at the terminal or yard after the container is overdue will be charged by the relevant unit according to relevant regulations.

(3) The demurrage fee is calculated based on the actual rates announced by SITC Co., Ltd. For specific rates and methods of collection, please contact the local agent of SITC Co., Ltd.

(4) The demurrage fee is in red font, as of the unpaid container fee.

(5) The damaged pictures displayed on the page are all the damaged parts found during the yard inspection, and are not the items charged by customers.

(6) On the container repair fee page, please refer to the "Details" for the items that the yard checked which should be clients responsibility, and the actual bill sent by the local agent shall prevail.

(7) If you have any objection to the result of the repair fee, please contact our local Inbound Equipment department.

3.2.8.1 User Interface

The screenshot displays the 'My booking' page in the SITC SIMIS Online Booking User Interface. The page features a top navigation bar with links to Home, Schedule, Booking, Information, Inbound, and Equipment. A left sidebar contains various booking-related options. The main content area includes search filters for Vessel, Voyage No, Lane, and CY Cut Time, and a table of bookings. The table has columns for No., Status, BK NO., B/L NO., POL, POD, Vessel, Voyage No, Lane, CY Cut Time, POL ETD Org, and Action. The table shows 6 bookings, with the first one being 'ACCEPTED' and the others being 'CHANGING' or 'APPLYING'.

3.2.29.1 User Interface

The screenshot displays the '订舱' (Booking) interface. The top navigation bar includes links for '首页' (Home), '船期' (Ship Schedule), '订舱' (Booking), '信息查询' (Information Query), '进口' (Import), and '箱管' (Container Management). The left sidebar lists various functions like '订舱', '我的订舱', '船名航次调整', '货物类型代码查询', '放单申请', '用户手册', '费用确认及单据上传', '新舱单EDI反馈', '专线客户EDI反馈', '进口账单及单据上传', and '截止时间'.

The main content area features search filters for '船名航次' (Ship Name/Voyage), '装货港' (Cargo Port), and '卸货港' (Discharge Port). Below these are fields for '开始时间' (Start Time), '结束时间' (End Time), '订舱号' (Booking Number), and '提单号' (Bill of Lading Number). A '查询' (Query) button is present.

The table below lists the booking details:

3.2.29.2 Function Description

对已经订舱成功并且录入补料的提单的版本进行对比，仅支持针对当前版本和上一版本作对比。

Compare the version of the bill of lading that has been successfully booked and entered for replenishment, only the current version and the previous version are supported for comparison.

3.2.29.3 Procedure

1. Login ;
2. Click [Booking] - [My Booking] ;
3. Open <My Booking> Page ;
4. Enter the Search conditions and click the [Search] button to find out the data.

The screenshot displays the 'My Booking' page in the SITC SIMIS Online Booking User Manual. The page features a search bar with filters for 'Ship Name', 'Cargo Port', and 'Booking Status'. Below the search bar, there is a table of booking data. The table has columns for 'Seq No.', 'Booking No.', 'Cargo Port', 'Ship Name', 'Booking Status', and 'Operation'. The table contains 10 rows of data, each representing a booking. The first row is highlighted in blue, and the second row is highlighted in green. The 'Operation' column for each row contains a 'More' button, which is used to expand the row and view additional details.

6. Click on [Withdraw Booking] in the expanded group of buttons.

The screenshot displays the SITC SIMIS Online Booking User Manual interface. The left sidebar contains navigation links such as 'My booking', 'My Booking Template', 'Cut Time', 'Special price of exp...', 'Release Apply', 'Booking(JP)', 'Booking History (JP)', 'New Manifest EDI', 'EDI Feed Back', 'Dangerous Declarat...', 'Settlement Man...', and 'User Center'. The main content area shows a table of bookings with columns: No., Status, BK NO., B/L NO., POL, POD, Vessel, Voyage No, Lane, CY Cut Time, POLETD Org, and Action. The table lists several bookings, including one with status 'ACCEPTED' and another with status 'DRAFT'. The 'Action' column for the 'DRAFT' booking is expanded, showing a dropdown menu with options: 'Commit', 'View', 'Copy', 'Batch Copy', 'FIT Apply', 'FIT Export', 'Cancel Booking', 'Split BL', 'Combine BL', 'Split Booking', 'Withdraw Booking', and 'Preview'. The 'Withdraw Booking' option is highlighted with a red box.

7. Withdraw the booking or submit a withdrawal request. The system returns a success message

BILL OF LADING

RECEIVED for shipment in external apparent good order and condition, unless otherwise indicated. The total number of packages or units stuffed in the container, the description of the goods and the weights shown in this Bill of Lading are furnished by the Merchants and the containers are already sealed by the Merchants, and which the carrier has no reasonable means of checking and is not a part of this Bill of Lading contract. The carrier has issued the number of Bills of Lading stated below, all of this tenor and date, one of the original Bills of Lading must be surrendered and endorsed or signed against the delivery of the goods or the delivery order and whereupon any other original Bills of Lading shall be void.

NOTE: Notwithstanding any customs or privileges to the contrary, the Merchant's attention is drawn to the fact that the Merchant, in accepting this Bill of Lading, expressly agrees to be bound by all the stipulations, exceptions, limitations, liberties, terms and conditions attached hereto or stated herein, whether written, printed, stamped or otherwise incorporated on the front and/or reverse side hereof as well as the provisions of the Carrier's published Tariff Rules, Regulations and Schedules, without exceptions, as fully as if they were all signed by such Merchant, and the carrier's undertaking to carry the goods is made on the basis of the merchant's acceptance and agreements as aforesaid.

This Bill of Lading is governed by the laws of the People's Republic of China. Any claims and disputes arising under or in connection with this Bill of Lading shall be determined by Shanghai Maritime Court or Qingdao Maritime Court at the exclusion of the Courts of any other country.

The printed terms and conditions appearing on the face and reverse side of this Bill of Lading are available at: www.sitc.com.cn in SITC's published tariffs.
